TOP SECRET

Ehud Olmert's Pre-9/11 Visit to NYC

Jerusalem's Terrorist Boss Was in New York City on Eve of 9-11

Ehud Olmert, the Likud mayor of Jerusalem from 1993 until 2003, made a secret visit to New York City on September 10, 2001 - the eve of the worst terror attack in U.S. history. What was this visit about and why has this visit been kept secret?

I only found this information buried in a 3,000 word article in the Jerusalem Post about the Betar (Likud) football club from 2004. I confirmed it by finding an article in the Toronto press that Olmert had been at a Zionist fund raiser in Toronto on September 9, 2001.

This is a huge story, but it takes some understanding of Ehud Olmert's ties to 9-11 to appreciate how important this revelation is. For those who are not aware of Olmert's close ties to the key players in 9-11, I highly recommend reading this article that I wrote in June 2006:

"Ehud Olmert's Ties to 9/11"

What is so telling about Olmert's complicity in the attacks is that he, and the entire New York media and political community, pretended that he was never there on September 10, 2001.

Olmert was the mayor of Jerusalem at the time, and Jerusalem has been the sister city of New York City since 1993, the year that Olmert became mayor. In 1995, Olmert upgraded that status to a special "mutual cooperation" between the two cities.

Yet the mayor of Jerusalem comes, un-announced and unreported to New York City on September 10, 2001, has a meeting with several Israeli "businessmen" who have businesses in Deerfield and Delray Beach, Florida, and nobody notices?

Sister city mayors Ehud Olmert and Rudy Giuliani did a real song and dance about terrorism after 9-11, but never mentioned that Olmert had been in New York on September 10, 2001. Why was this kept secret if his visit was NOT connected to 9-11 in any way?

In all of their public conferences and phone calls that were done in the aftermath of 9-11, Olmert never said anything like this: "You know, Rudy, I was just in New York City a few hours before the attacks. I can't believe that it happened to the city that I just visited."

This makes no sense at all, unless he had prior knowledge and was involved in 9-11. If he were not, he would have admitted and even underlined the fact that he had been in New York City only hours before the attacks. I was in New York City just hours before the attacks and have emphasized this in speeches and articles. Why had Olmert hidden his visit?

Why has he hidden his visit? There can only be one explanation. The public is NOT to know that the extreme right-wing mayor of terror-plagued Jerusalem was in New York City just before the terror attacks that changed American history?

Why?

There is NO way that Mayor Rudy Giuliani and the New York police department did NOT know that Olmert and his gang were in town. This is the first question the Giuliani should be asked:

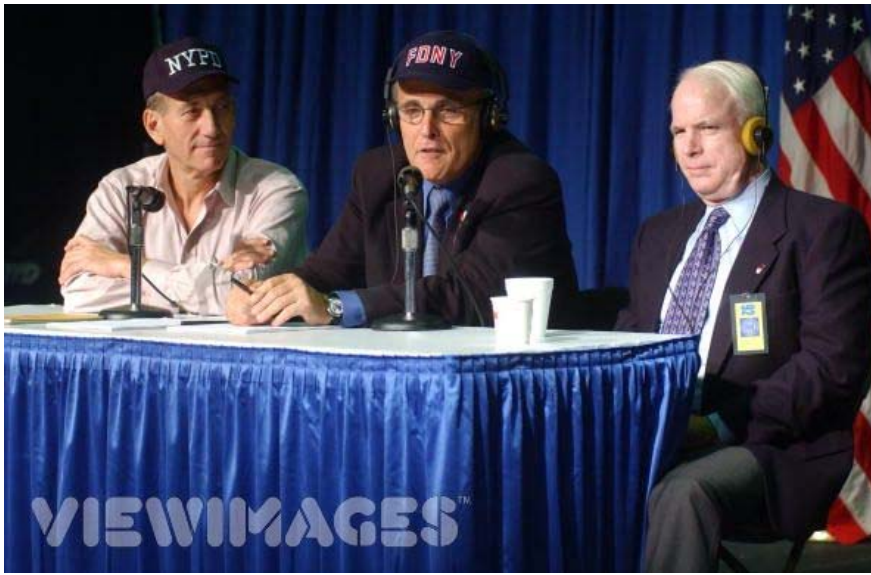

Were you, as mayor of New York City, aware that Ehud Olmert was in New York City on September 10, 2001?

and then...

When did you learn that Ehud Olmert was in New York on September 10, 2001? Did Olmert stay until the 11th of September? At what point did Olmert leave New York City?

We know that Olmert was in Jerusalem on the afternoon of September 12, because he attended a ceremony marking the terror attack at the Sbarro pizzeria that was bombed in August 2001.

Note: The flight time from New York to Israel is 10 hours. Israel is 7 hours later than New York City. If Olmert had flown from New York on the afternoon of 9-11, he would have arrived early the following morning in Tel Aviv.

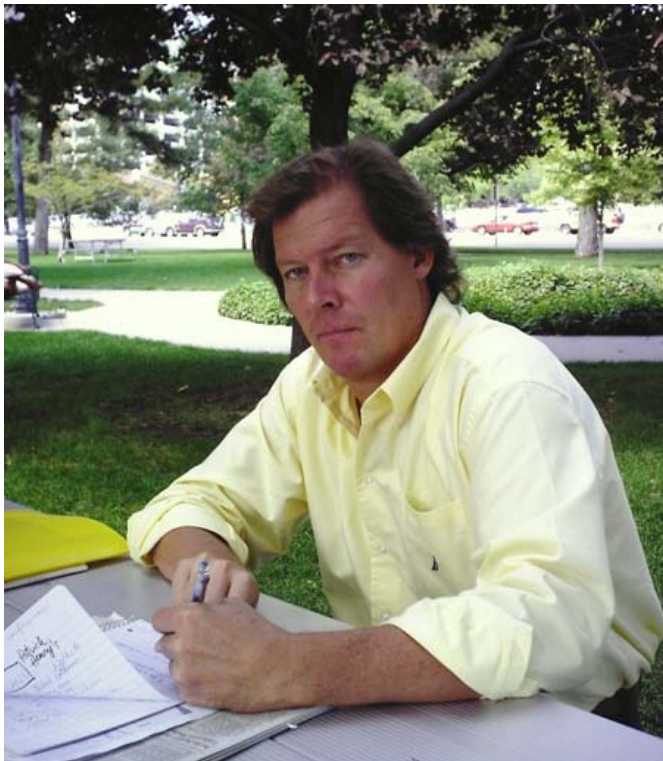

Ehud Olmert, the extreme right-wing mayor of occupied Jerusalem, with Rudy Giuliani, the mayor of New York City and Sen. John McCain (R.-Arizona) at the Emergency Operations Center in New York on September 21, 2001.

Ehud and Rudy have put up a complete false facade. Clearly, this information, that Ehud Olmert was in New York City on the eve of 9-11, is information that the public is not supposed to know. I will be explaining the significance of his meeting with the Levy brothers of "Wings" of Florida and other coastal states in the next article.

Not a single newspaper in New York, or the world, has reported about Olmert's secret visit to New York on September 10, 2001.

Please tell us, Mr. Olmert, why were you in New York City on September 10, 2001 and why have you hidden this visit from the public?
