# American Jewish Committee goes to War Against Lou Dobbs

By David Duke

The major media in America is literally 100 percent pro-Israel, a nation that proclaims itself an ethnic and religious, “Jewish State.” The same mass media Establishment is also overwhelmingly in favor of an open borders immigration policy for the United States. But, that overwhelming dominance of the American media is not enough for *The American Jewish Committee*. It wants to still any dissenting voice and it has declared war on Lou Dobbs for daring to speak out against the legal and illegal immigration that threaten the people of the United States.

Ironically, the AJC, the largest and most powerful Jewish organization in America sees no hypocrisy in its open borders policy for America but Jewish only immigration policy for Israel. The organized Jewish community has been at the forefront of an open borders policy since the 1920s in the United States and such policy is favored by every major Jewish organization in the United States. Such can be shown by the open borders position of the *Council of Jewish Presidents* which is composed of the entire top tier of the largest and most influential Jewish organizations in America.

These Jewish organizations find it advantageous to the Jewish agenda to push for multi-racialism and, multi-culturalism for America and all non-Jewish nations and non-Jewish communities while demanding American support for Israel as a “Jewish State.” They see Jewish power and what they call “the Jewish agenda” enhanced when they fight uncompromisingly for their interests, while they lessen ethnic solidarity in their host nations. The former head of National Affairs of the AJC, Dr. Stephen

Steinlight, put it pretty succinctly in an article he wrote called, "The Jewish stake in America's Changing Demographics," in which he bluntly stated:

**For perhaps another generation, an optimistic forecast, the Jewish community is thus in a position where it will be able to divide and conquer and enter into selective coalitions that support our agenda. (Steinlight, Stephen. (2001). Backgrounder. Center for Immigration Studies. October.)**

The AJC chief Legal Counsel and head of AJC Domestic Policy, Jeffery Sinensky, has recently sent a letter to CNN objecting to Lou Dobbs daring to interview opponents of the mass illegal and legal immigration inundating the United States. The letter states:

**"It is inappropriate and offensive for major television programs to provide a microphone to individuals and organizations that promote hate, espouse vigilantism, white supremacy, or even violence in the immigration debate,"**

I would like to ask Sinensky whether he considers the following statements to be examples of hate speech or Jewish supremacism, or the promotion of violence? Sinensky and the AJC support Israel 100 percent and also support billions of dollars of American taxpayer's money being sent to Israel, a Jewish supremacist, Apartheid State in every sense of the word.

In a very recent example, Israel's Deputy Defense Minister promised a "Holocaust" on the Palestinians if Hamas kept up attacks on Israel. (Reuters, Feb. 29, 2008). Imagine the media response if any Palestinian leader would have promised a Holocaust against Jews or Israel, but the controlled media has little coverage of an Israeli government official speaking the unspeakable. Here are just a very few of the statements made by the Jewish leaders of the state the AJC so ardently supports: (The following quotes were compiled by Jim Sachsen)

- 1. "There is a huge gap between us (Jews) and our enemies \*not just in ability but in morality, culture, sanctity of life, and conscience. They are our neighbors here, but it seems as if at a distance of a few hundred meters away, there are people who do not belong to our continent, to our world, but actually belong to a different galaxy." Israeli president Moshe Katzav. The Jerusalem Post, May 10, 2001**
- 2. "The Palestinians are like crocodiles, the more you give them meat, they want more"... Ehud Barak, Prime Minister of Israel at the time - August 28, 2000. Reported in the Jerusalem Post August 30, 2000**
- 3. "[The Palestinians are] beasts walking on two legs." Menachem Begin, speech to the Knesset, quoted in Amnon Kapeliouk, "Begin and the Beasts". New Statesman, 25 June 1982.**
- 4. "The Palestinians" would be crushed like grasshoppers ... heads smashed against the boulders and walls." Israeli Prime Minister (at the time) in a speech to Jewish settlers New York Times April 1, 1988**
- 5. "When we have settled the land, all the Arabs will be able to do about it will be to scurry around like drugged cockroaches in a bottle." Raphael Eitan, Chief of Staff of the Israeli Defense Forces, New York Times, 14 April 1983.**
- 6. "How can we return the occupied territories? There is nobody to return them to." Golda Maier, March 8, 1969.**
- 7. "There was no such thing as Palestinians, they never existed." Golda Maier Israeli Prime Minister June 15, 1969**
- 8. "The thesis that the danger of genocide was hanging over us in June 1967 and that Israel was fighting for its physical existence is only bluff, which was born and developed after the war." Israeli General Matityahu Peled, Ha'aretz, 19 March 1972**
- 9. "We have to kill all the Palestinians unless they are resigned to live here as slaves." Chairman Heilbrun of the Committee for the Re-election of General Shlomo Lahat, the mayor of Tel Aviv, October 1983.**
- 10. "Every time we do something you tell me America will do this and will do that . . . I want to tell you something very clear: Don't worry about American pressure on Israel. We, the Jewish people, control America, and the Americans know it." - Israeli Prime Minister, Ariel Sharon, October 3, 2001, to Shimon Peres, as reported on Kol Yisrael radio. (Certainly the FBI's cover-up of the Israeli spy ring/phone tap scandal suggests that Mr. Sharon may not have been joking.)**
- 11. "We must use terror, assassination, intimidation, land confiscation, and the cutting of all social services to rid the Galilee of its Arab population." Israel Koenig, "The Koenig Memorandum"**

12. “We walked outside, Ben-Gurion accompanying us. Allon repeated his question, What is to be done with the Palestinian population?’ Ben-Gurion waved his hand in a gesture which said ‘Drive them out!’” Yitzhak Rabin, leaked censored version of Rabin memoirs, published in the New York Times, 23 October 1979.

13. “There are some who believe that the non-Jewish population, even in a high percentage, within our borders will be more effectively under our surveillance; and there are some who believe the contrary, i.e., that it is easier to carry out surveillance over the activities of a neighbor than over those of a tenant. [i] tend to support the latter view and have an additional argument:...the need to sustain the character of the state which will henceforth be Jewish...with a non-Jewish minority limited to 15 percent. I had already reached this fundamental position as early as 1940 [and] it is entered in my diary.” Joseph Weitz, head of the Jewish Agency’s Colonization Department. From *Israel: an Apartheid State* by Uri Davis, p.5.

14. “It is the duty of Israeli leaders to explain to public opinion, clearly and courageously, a certain number of facts that are forgotten with time. The first of these is that there is no Zionism, colonization or Jewish State without the eviction of the Arabs and the expropriation of their lands.” Yoram Bar Porath, *Yediot Aahronot*, of 14 July 1972.

The kind of hypocrisy evidenced by the AJC and General Counsel Sinensky goes way beyond simply Israel, for the Jewish extremists influence American domestic policy in areas that have little to do with Israel. An example is the AJC’s position on gun control.

### **AJC Amicus Brief Supports District of Columbia Gun Control Laws**

**January 11, 2008 – New York – The American Jewish Committee filed an amicus brief with the United States Supreme Court today, asserting that the District of Columbia’s strict gun control laws do not offend the Constitution. The case, *D.C. v. Heller*, will be the first gun control case before the Supreme Court in sixty eight years.**

**“Gun control laws safeguard liberty, rather than restrict it,” said AJC General Counsel Jeffrey Sinensky. “Democracy can only flourish when the government is permitted to protect its citizens from harm.”**

**The amicus brief argues that the Second Amendment does not protect the right to possess firearms for personal use, but rather “was designed to enhance state and local authority to protect life and liberty through the maintenance of militias composed of the local populace.”**

**AJC filed the brief with a coalition that includes the Anti-Defamation League, American Jewish Congress, National Council of Jewish Women, Religious Action Center of Reform Judaism, and the National Association for the Advancement of Colored People.**

**AJC has a long history of supporting gun control laws, including the federal Gun Control Act of 1968, the federal Assault Weapon Control Act of 1989, and the Brady Handgun Prevention Act of 1993.**

The AJC of course supports Israel which in turn supports the right of every Jew to possess fully automatic assault weapons and machine guns.

The AJC and a whole host of Jewish supremacist organizations are not satisfied with the incredible Jewish influence over almost all of the mass media, they will not be satisfied until their control is one hundred percent.

The latest attack on Lou Dobbs is one more example of their pernicious influence on American life.
