New Intel Regarding Mideast Events Currently Going On

Just got word from a personal contact that has connection directly in the mideast. Word is that last night 4 Battalions were moved last night from Iraq-Kuwait to Turkey. This is a large shift a troops and quite a urgent move. Will have more info later for you. If you look at a map Turkey borders much of south Georgia. Iran is very nearby too. Also consider the recent article here too:

Hmm...that could certainly get tricky.

"All...right!"
