Conference of Traitors

May 2, 2009 · [12 Comments](#)

1. Goys and girls pay attention. There's just one day left until the event of the summer takes place and it is an ever so special event marking the [legalization](#) of spying on the United States on behalf of Israel. Get your tickets now and cash in.

Yes! AIPAC is Sellebrating May Day at its annual [Traitors Conference](#) that opens this Sunday under the theme of "Selling Out America is Fun for the Whole Tribe!"

This year there will be even more booths and workshops than ever before. You'll be able to buy classified documents about Iran, China, Egypt, US military technology and the sexual piccadillos of your perverted congressmen (they've got some great photos too). Plus, if you pay an extra \$1,000 dollars, you can attend the workshop that will reveal whether or not Barrack Hussein Obama is a [natural born citizen](#). Be one of the few to really know and then you too can blackmail the hell out of the White House. Rahm Emmanuel will be leading that oh so special workshop. Unfortunately, the workshop won't be held on Air Force One while it flies around Manhattan just a few feet away from tall buildings. The test drive for that one didn't work out as planned. But hell, we've got a great room at the hotel and the booze is on the taxpayer!

Register now before it's too late. Here's a sneak preview of what's in store.

The Happy Hooker: Mossad Jane Harman on How She got to be the 2nd Richest Member of Congress

Mossad Jane (right) and Israeli Knesset Speaker Dalia Itzik in Israel.

Mossad Jane may even talk about her partner pictured above.

We hear at Mantiq al-Tayr that Nancy Pelosi may be joining this discussion, taking the place of [Deborah Jeanne Palfrey](#). That's just a rumor, of course.

Sino-Semitic Relations: How to Sell US Technology to China

This profitable seminar will be run by Jonathan Pollard

Free at last, free at last, Thank G-d Almighty, I'm Free at Last! (Maybe)

and Maj. Gen. Ido Nechustan, Commander of the Israeli Airforce

They offered me the job of US Air Force Commander, but it was beneath me.

“The Iran Portfolio at the CIA – for Sale”

Join Larry Frankly, Steve Rosen, Keith Weissman and “Judge” T.S. Ellis as they auction off material gathered at great personal

risk by CIA assets working in the most dangerous places on earth. Really cool stuff. They will even autograph the documents for you.

Would you buy used classified documents from these two guys?

Now the workshop below is a personal favorite of mine. Hope to see you there.

Or: How to Kill Children and Yell “Anti-Semitism” at the Same Time

This one will be run by Brig. Gen. Michael Herzog Chief of Staff, Defense Minister Ehud Barak.

Israeli General Michael HerzOG

The people below will not be in attendance.

These folks couldn't make it. It's the economy stupid

This man really wanted to come, but he was otherwise occupied.

Your Tax Dollars at Work

This person won't be [attending](#) either.

what can be said, except BRILLIANT. Where have you been all this time, Mantiq?

Mantiq, we salute you. Please continue to impart your original ideas and perceptions to us. Your sardonic humor is much appreciated.

Thanks a lot. I could not think of a better title for your piece other than, 'conference of the traitors'. I am glad you added some of the images, and have not forget about Rachel Corrie.

Those people who betrayed America have no decency. Infact they are more threat to America than Ben Laden or those who flew the planes into our landmarks on 9/11. They deserve to be hand or a bullet put between their eyes.

America comes first, not Israel!

Quran Chapter 5 verse 82:

“Strongest among men in enmity to the believers(muslims) wilt thou find the Jews and Pagans; and nearest among them in love to the believers wilt thou find those who say, “We are Christians”:(not christian zionist these are pagan armegedonist) because amongst these are men devoted to learning and men who have renounced the world, and they are not arrogant. ”

What is so frightening about all of this - other than the FACT that it is ALL VERIFIBLY 100% TRUE - is that we - as AmeriKans are no longer 'useful idiots' or even just stupid 'goyem' - we are NOW relegated to an even lower status (if possible).

We are NOW virtually 100% lemmings RACING AT TOP SPEED to see who will be the first to sail into the chasm of death at the bottom of the prespice. We are on a mission of mass suicide - the enormity of which makes Jonestown look like 'having a nice day'!

AmeriKans are now beyond simple irresponsibility - or denial - or even criminal ignorance. We have finally achieved total mass collective institutionalized insanity!

Seasoned law enforcement officials will tell you that of all the possible states of mind that they must deal with - there is one that is most frightening - more so than fear - anger - rage - depression - suicidal - armed violence or even 'nothing to lose' — and that is a person who is INSANE!

The ability to reason is forfeit and ANY consequence scenario is possible. As a people - we have completely lost our ability and will to even survive. Sanity is the only commonality that permits intelligent dialogue and solutions to problems. Without sanity - there is no hope - no humanity. I fear that we are THERE!

Sanity and logic would dictate that this article MUST be made available to ALL Americans - yet it will never see the pages of ANY major newspaper or ANY evening news.

The predictable result of shaing this with neighbors friends and associates will be at best - a blank stare and or an immediate change of topic - as if it were never revealed to them in the first place - as if they were all drugged.

The most MENIAL 'event' immaginable will take precedence over this profoundly important revelation - a TV show - a football game or discussion of local gossip will prevail.

This absence of reason is no less disturbing than to notify the occupants of a burning building of a fire and to be told that "they can't be bothered with it right now". That is classic insanity.

I see this phenomenon virtually every day and as matters get more and more grave - the earmarks of insanity become more and more pronounced - WAY beyond 'denial'.

Even rats have the good sense to 'leave a sinking ship so as to survive drowning.'

Jailbird Jonathan Pollard (caption to photo above) : *"Free at last, free at last, Thank G-d Almighty, I'm Free at Last!"* (Maybe)

Don't joke about this, Mantiq. It's going to happen! As sure as G-d made little green apples, Pollard is going to be free man soon. Yep, he's going to return to Israel to a hero's welcome. Netanyahu has already ordered the red carpet.

"and you will hear of wars and rumors of wars. See that you are not troubled, for all these things must come to pass, but the end is not yet. For nation will rise against nation, and kingdom against kingdom. And there will be famine, pestilence and earthquakes in various places. All these things are the beginning of sorrows. Then they will deliver you up to a great tribulation and kill you, and you will be hated by all nations for my names sake" Matthew 24:6-9

In other words the "Synagogue of Satan" (aka Zionists/Satanists) MUST take their best shot at living out their dream of permanent world rule under their master Satan.

Remember these people do NOT believe in God and do NOT believe the Messiah will return...they DO believe their messiah Lucifer will defeat God. The only way to convince them otherwise is to allow them to carry out their evil plans.

“Let them make their plans for they will come to no avail for God is the best of all planners” Qu’ran

Wonder how long it will take them to call off the list of traitors in their infamous annual roll call? See <http://www.dcdave.com/poet14/080611.htm>

Matthew 24

6 And ye shall hear of wars and rumours of wars: see that ye be not troubled: for all these things must come to pass, but the end is not yet.

7 For nation shall rise against nation, and kingdom against kingdom: and there shall be famines, and pestilences, and earthquakes, in divers places.

8 All these are the beginning of sorrows.

9 Then shall they deliver you up to be afflicted, and shall kill you: and ye shall be hated of all nations for my name’s sake.

10 And then shall many be offended, and shall betray one another, and shall hate one another.

This is worse than the post-WWII spy cases, and they’re all skating!
