THE JEWISH-CONTROLLED US CONGRESS is now considering the opening of FEMA detention camps and to begin using them for their intended purposes — the *militarization* of civilian life.

The process begins with the Bill HR 645, The National Emergency Centers Establishment Act, introduced on January 22, 2009. The Bill is designated to “direct the Secretary of Homeland Security to establish National Emergency Centers on military installations.” There are presently over 800 FEMA Camps in the US.

HR 645 will serve “as the first step in the legislative process for the authorization to open and declare what these facilities can be used for and preparations for future use.” One of the key sponsors of the Bill, is, *of course*, a Jew, Congressman Steve Cohen.

HR 645 begins with the establishment of National Emergency Centers (FEMA Camps) which will mandate that “US Homeland Security use no fewer than six existing detention facilities in each of the existing FEMA regions to provide aid to individuals and families in the event of a declared emergency or natural disaster” (or ‘fabricated’ emergency.)

These facilities will *also* be used to train law enforcement entities as well as clergy and social workers that will assist the average citizen in the event of a major crisis (or ‘fabricated’ crisis.) The camps will be required to be equipped for long term stays by citizens. The Bill designates an initial funding of \$360 Bn for a period of two years.

ATTACHED TO THE BILL is the related pending legislation, Handgun Safety and Registration Act of 2000, sponsored, (of course), by two Jews, Senators Frank Lautenberg and Charles Schumer.

Also on the table is Federal Ammunition Accountability Legislation which exists in 18 states and requires all ammunition to be encoded by the manufacturer in a database and to be included in all ammunition sales. The database will track how much ammunition an American citizen buys and of what calibers. In other words, control the ammo and the Jews control the guns.

Remember how Obama promised (he's a liar) he wasn't going to take American citizens' guns? (He's A Liar.) Well it appears that Obama's Jewish enablers in the anti-gun world have no problem with seizing privately-owned ammunition.

For according to Ammunition Accountability.org, the driving force behind The Federal Ammunition Accountability Act, no ammunition can be sold after June 30, 2009 unless the ammunition is coded. Any privately held *uncoded* ammunition must be destroyed by July 1st, 2011 or be confiscated by police authorities.

As regards the FEMA camps and ammunition accountability, it's all a matter of Jews installing their freedom-hating agenda in stages. That's how the Jews work.

FIRST STEPS TOWARD TOTAL GUN CONFISCATION

THREE JEWS OF THE NEW YORK STATE ASSEMBLY passed a sweeping GUN CONFISCATION LAW on April 29, 2008.

These Zionist Jews, Assembly Speaker Sheldon Silver, Assistant Speaker Harvey Weisenberg, and Assemblywoman Michelle Schimel, are not interested in protecting police officers, (how many officers are actually targets of deadly assaults anyways?) Their real agenda is to disarm law-abiding GENTILES, whom Zionist Jews fear will soon discover Jewry's anti-American, freedom-hating mission.

The confiscation provision, ostensibly to "enhance the safety of police investigating illegal firearms," calls for the "repossession of 50-caliber or larger weapons and creates a program to recall those currently legally owned." (Notice all the Jews listed who co-sponsored the Bill.) View Entire Bill Here & Here.

The Jew-inspired law also targets firearm dealers by which CONFISCATION of "legal possession of a 50 caliber weapon shall be personally delivered over to the division of the State Police."

These firearms are very large, very heavy, and very expensive. Criminals aren't hiding these under their coats to assault police with these bulky and very obvious weapons.

This law is simply a first step toward confiscating whatever guns the Jewish NY State Assembly deems to be a threat to their hegemony over America. Today - "50 cal firearms." Tomorrow - "assault weapons." Next month - "sniper weapons" (aka hunting rifles). It's all a matter of Jews installing their freedom-hating agenda in stages.

JEW-INSPIRED LEGISLATION CLOAKS GUN BAN AS 'ANTI-TERROR' TOOL

UNDER THE CLOAK OF 'NATIONAL SECURITY' the right-to-bear-arms-hater, the Jew, Senator Frank Lautenberg, introduced his new gun confiscation law, Denying Firearms and Explosives to Dangerous Terrorists Act of 2009, on June 22, 2009.

This Jew-inspired Act will place unprecedented authority in the hands of the Attorney General, (Eric Holder is a GUN-CONTROL lord), to deny American citizens their Second Amendment rights without having been convicted, or even charged, with any crime.

Instead, under this legislation, someone whose name is added – for whatever reason – to a terrorist watch list (now at 1 million names) can suddenly find himself or herself prohibited from exercising their constitutional rights based on nothing more than suspicion.

THE ZIONIST JEW LAUTENBERG, who has devoted his entire political career to stripping Gentiles of their right to bear arms, calls his Jew-legislation a "terror loophole."

Yet neither Lautenberg nor any of his fellow freedom-hating Jews on Capitol Hill (a record number of Jews are now in Congress) can adequately explain how someone gets their name on the FBI terrorist watch list - and there appears to be no way to get one's name off such a list once it's there.

And of course, the Jews in Congress have as their synagogue buddy and fellow Gun Control advocate, Rahm Emanuel, installed by the Jew-bought Obama, as White House Chief of Staff. The National Rifle Association (NRA) rated Emanuel with an "F" (FLUNKED) in pro Gun Control voting as a US Congressman.

And it is the Gentiles whom Jews like Lautenberg and Emanuel look upon as "flunkies" in their quest to remove the last remaining vestige of freedom the "goyim" hold:

Dear Real Zionist News Family & ALL Readers -

I must be perfectly frank with all of you. I work for a living.

I just got back from a very arduous NYC Street Evangelism trip in which I got sick from being put in a MILDEW INFESTED room at the Youth Hostel where I stayed.
