[Video of Palestinian Children at Israeli Jail](#)

Sep 5th, 2009 by [kawther.salam](#)

Each year, hundreds or even thousands of Palestinian children are arrested, tortured, interrogated, abused and incarcerated by the

criminals of the Israeli military occupation. In many cases the children are abused sexually by the Israeli interrogators. They are also imprisoned together with teenagers, criminals, and drugs dealers, who also attack the children, abused them sexually, and steal their personal belongings. Two children from the Nahalin village near Bethlehem told me how they had been abused sexually at the Israeli jail by criminals detained there.

Here is a Video which shows how the Israeli military treats the Palestinian children and their families while attending their illegal “military courts”.

A child described to me how the military judge accused him of throwing 40 stones at a military patrol near the Etzion military camp. The child swore to me that he had never been there. “Why I should my son travel from Nahalin to Etzion to throw stones at a military patrol driving in the mean street?” his mother asked me incredulous. This was not something logical for her child to do, said the mother of that child.

It is very clear that the accusation were invented, and this child was arrested and spent three years in the Israeli jails illegally, on trumped up charges.

What I also found confusing among the lies, was that the military judge had accused the child of throwing “40 stones” at a military patrol while driving near Etzion. How did the driver count the stones which the child had thrown? Did he stop driving, did he stand quite, calm and with cuffed hands, waiting for the child to start throwing stones, and counting the stones which he threw, 1, 2, 3, 4, ... 40?

I have seen IDF soldiers arresting children who were in the kindergarten in Hebron, I also saw how they tortured and shot them just because they were playing football in a garden. I still remember how soldiers under orders from Colonel [Yigal Sharon](#), a former IDF Commander of Hebron, shot Majdi Al-Mohtasib, age of 10 and his sister, age of 5 while playing football. The poor child Majdi had refused to give his ball to an IDF soldier, and received a bullet which broke the bones of his leg.

According to the human rights organization “[Defence for Children International](#)” (DCI), many children were jailed under administrative detention without any charge or trial.

Administrative detention is often based on “secret evidence.” Israeli military order 1226 empowers military commanders to detain

Palestinians, including children, for up to six months if they have “reasonable grounds to presume that the security of the area or public security require the detention.” The initial six month period can be extended by additional six-month periods, indefinitely.

The DCI confirmed that the Palestinian child detainees routinely face violations of their human rights during arrest, interrogation and imprisonment. They are exposed to physical and psychological abuse, amounting to cruel, inhuman and degrading treatment, and sometimes torture. They are denied prompt access to a lawyer and often denied contact with their families and the outside world. These children face substandard conditions of detention and are denied access to proper education services.

The Israeli Government and the likes should be stopped. There is no reason children should be killed, raped, beaten, and imprisoned, there is no room for that kind of evil as far as I am concerned! It makes me sick to hear about babies being blown up because they went outside to play. Who or what kind of evil monster orders little kids to be raped, murdered, imprisoned, etc.?

what is the difference between the criminal parasitic israelis with Children and the white house abducting children for sex and mind control, the Government of the US is behaving the same as the Israelis. What right does Israel and the US and Britain have to criticize child abuse when they do it themselves. Get the the Israelis out of the United States and let it be governed by american citizens and not foreigners.

Romans 2:29
No, a man is a Jew if he is one inwardly; and circumcision is circumcision of the heart, by the [Holy] Spirit, not by the written code. Such a man’s praise is not from men, but from God.

I think human beings are the most barbaric scum in all of creation with the Israeli’s no. 1 and if I was god I’d kill them all and make sure there was not a trace of their existence left behind.
